

# Vision Council

## Job Description

### Role:

A small group of dedicated, resourceful and influential people from multiple sectors of the community who will work together on behalf of the South Coast Community, through the *Power of Partnership Initiative*, to give Vision to creating a community of successful children, strong families and independent seniors and to provide leadership, support and direction for the *Power of Partnership Initiative*.

### Reports to:

United Way Board of Directors

### Responsibilities:

1. Bring an open and inquiring mind to the issues of South Coast Children & Families and Seniors & Families.
2. Attend and actively participate in 8 to 10 working sessions over a 14 month period to envision a positive future; develop agendas for specialized working groups; review feedback from community vision forums and working groups; approve prioritized goals, objectives, outcomes and strategies for social change.
3. Be willing to provide leadership, direction, resources, and continuing support for the agreed-upon Goals and implementation of the Vision of the *Power of Partnership Initiative*.
4. Serve as a champion in clearly articulating the goals and measurable outcomes determined through the *Power of Partnership Initiative*.

*You & I... helping local people as no person or organization can*
