

Power of Partnership Initiative Community Vision Forums

Goals

(What our community should focus to create a better future)

Top Choices Summary

- Parent involvement/engagement in child's education and life
- High quality, accessible education from preschool through college
- Affordable and safe neighborhoods
- Knowledge of and access to nutritional foods and health/nutrition education
- Accepting, tolerant, and supportive community
- Children and youth feel valued, listened to, loved, and included
- Basic needs are met
- Equal and affordable access to quality healthcare and screenings with a focus on prevention
- Active youth/adult partnerships in schools, mentorships, and the community
- Children are safe inside and outside the home
