

Draft Vision Statements

Children & Families Steering Committee Recommended Options 7/9/08

1

In the South Coast of Santa Barbara County, all children and youth will grow up in families and neighborhoods where they feel and are safe, loved, and valued and where parents and adults are positively engaged in children's lives. Our communities support wellness, diversity, and creativity so that children and youth become empowered, capable adults.

#2

In the South Coast of Santa Barbara County, all children, youth and families have the opportunity to enjoy and thrive in caring communities and neighborhoods to develop their full potential as they become responsible and contributing community members.
